

NYM 2850

Description

DESIGN:

[CAZZANIGA MANDELLI PAGLIARULO](#)

Nym is a collection made of solid ash wood which reviews English traditional Windsor chairs with a contemporary style. The backrest of the chair designs an uninterrupted arch that perfectly joins the seat of solid ash wood. Elliptic profiles feature all the lines, they enhance the warmth of wood to the touch and provide extreme comfort and lightness. Steel rod sled frame Ø 11 mm.
