

FOLK 2940

Description

Folk collection accentuates the quest for simplicity. Its friendly character, the warmth of ash wood, the soft and compact dimensions, human lines seamlessly convey the concept of a chair that speaks a universal language.

The light, durable die-casted aluminium ring, becomes the structural and distinctive element which enables the chair to be easily disassembled for recycling purposes or to replace its components. The solid ash frame snugly embraces the aluminium ring that holds the seat upholstered in fabric, leather or simil leather. The bent plywood backrest ensures total comfort and cosiness.
