Everyday performance + future flexibility

An ergonomically designed, versatile desking system that's perfect for the office – today and tomorrow.

We know that offices, teams and resources are constantly changing. That's why we've developed a flexible desking range, with options to suit offices now and adapt easily (and economically) for the future.

The Vectra difference

- ✓ Surprisingly affordable.
- ✓ Seamless leg design across the range.
- ✓ 150kg weight rating.
- ✓ Telescopic frame.
- ✓ Straight desks or multi-person back-to-back benching (add desk return for corner workstations).
- ✓ Frames available in black or white powdercoat finish.
- ✓ Adjustable levelling feet.
- ✓ Choose from 14 stylish melamine worktop colours.
- ✓ Compatible with Strata cable management trays.
- ✓ Express and extended product options.
- ✓ Exceptional quality backed by 5-year warranty.

1

Choose desk:

Fixed-height or user-adjust (wind-up height adjustment).

2

Modify:

Add desk returns to transform straight desks into corner workstations.

3

Upgrade:

From **wind-up** height adjustment (user adjust) to **electric** height adjustment.

The Vectra Desking system is built for **comfort,** **performance** and **choice.**

In fact, Vectra is the next generation of our ever-popular Activ and Strata Electric Lite product ranges – bringing them together in one smart solution.

Backed by our commitment to quality and product warranties, Vectra brings the freedom of knowing that the office furniture is as agile as a business needs to be.
