## Comfort Redefined!

Classy, refined and offering superb comfort the Saba chair is available with several base options to cater for a vast array of spaces and uses.

Sit on the Saba chair with 5 way swivel base and you will be delighted with the gentle movement provided by the 'Free Motion' active tilt seat which moves subtly to support you.

Compact overall dimensions cleverly hide the generous internal seat size which caters for a very broad range of people and different user sizes.

Ideal for boardroom, meeting, visitor, waiting and breakout areas, the SABA can be manufactured in the upholstery of your choice.
